HeartCycle: B1 morphology and B-point strict common-reference absolute timing error
Lower local waveform slope · B1
CH03 | Overall | beat 2
Higher local waveform slope · B1
CH02 | Overall | beat 8
Standardised dZ/dt (z score)
Time from ECG R (ms)
Raw-derived dZ/dt
Filtered dZ/dt
ECHO AVO
Other frozen definitions
Selected B1
Participant-aware effect: Local waveform slope → strict common-reference absolute timing error
B1 · Overall · n=17 · supported exploratory association
